

Mobilehome Parks & Rent Control

For some 25 years, our attorneys have advised public agencies in the development, implementation, and administrative application of municipal rent control ordinances (including "factor based" and "Maintenance of Net Operating Income" and "Consumer Price Index" ordinances). We have served as general or special counsel to the Palm Springs Rent Review Commission, the Carson Mobilehome Park Rental Review Board, the City of Ventura Mobilehome Rent Review Board, and the cities of Chino, Palm Desert, Carson, and Palm Springs, cities with collectively over 65 mobilehome parks. We have been in the forefront of litigation to defend municipal rent control.

Our team has assisted in the development of Rent Stabilization Ordinances for several of our clients and has successfully defended facial and as applied challenges to such Rent Stabilization Ordinances, with published opinions favoring our clients from the 9th Circuit Court of Appeals, California Supreme Court and the 2nd Appellate District. (*Colony Cove Properties, LLC v. City of Carson, et al.* (9th Cir. 2011) 640 F.3d 948 [certiorari denied]; *Guggenheim v. City of Goleta* (9th Cir., en banc, 2010) 638 F.3d 1111 [certiorari denied].)

We have successfully advised planning commissions and city councils in the application of state laws related to closures, conversions, or subdivision of mobilehome parks. We have been actively involved in defending our clients' rights during hostile conversion attempts by mobilehome park owners who resist oversight of their conversion applications. We have been the lead counsel or the lead counsel of the *amici* on several actions dealing with this highly contentious issue. Three of those cases have resulted in the three most important published opinions on this issue, granting cities discretion to review and approve, deny or conditionally approve these subdivisions. (*Carson Harbor Village, Ltd. v. City of Carson* (2015) 239 Cal. App. 4th 56; *Pacific Palisades Bowl Mobile Estates, LLC v. City of Los Angeles* (2012) 55 Cal. 4th 783; *Goldstone v. County of Santa Cruz* (2012) 207 Cal. App. 4th 1038 [petition for review denied].) We have also been in the forefront of working on legislation on these important issues, successfully passing SB 510.
